

The Curious Kids Club

Bird Watcher

Spend time quietly in nature, take your binoculars and a notebook to see what you can spot. Perhaps you want to learn to identify birdsong, or compare the birds at home with those from exotic places. Take time to study eggs, nests, feathers and diets. Follow your curiosity.

Complete task from each category to earn this award.

Explore Experience Educate

Read a book about birds.	Visit a nature reserve and spend time in a bird hide.	Put together a bird spotting guide with tips and guidance.
Learn to identify the birds in your area.	Set up a bird feeding station in your garden.	Give a short presentation about what you have learnt.
Listen to different bird songs.	Observe which birds prefer what types of food.	Create an educational poster.
Watch an episode of life of birds.	Build your own bird box.	Make a garden birds identification sheet for your garden or park.
Find out about the life cycle of birds.	Look at feathers or egg shells through a microscope.	Write a diary entry about the birds you have observed.
