

The Curious Kids Club

Egyptologist

Have you ever wanted to study Ancient Egypt, to come face to face with forgotten pharaohs, discover ancient buried treasure, decode carved hieroglyphs. Now is your chance to study relics, unlock the secrets of the past and to follow your curiosity.

Complete tasks from each category to earn this award.

Explore Experience Educate

Read a book set in Ancient Egypt.	Visit a museum to see some artefacts from Ancient Egypt.	Create a poster about Ancient Egypt.
Watch the Prince of Egypt movie.	Make your own mummy, mask, canopic jars or sarcophagus.	Add some artefacts to your Book of Centuries.
Research the names of some Pharaohs.	Create your own secret messages in hieroglyphics.	Write a newspaper report about the opening of a tomb.
Look at photographs of archaeological digs.	Learn about the materials used to create items.	Set up your own pretend museum.
Locate Egypt on a world map and a globe.	Make your own Egyptian style perfume or jewelry.	Give a short presentation on what you have learnt about Ancient Egypt.
