*Jewell Parker Rhodes*

## Synopsis

As the 10th anniversary of 9/11 approaches, a class of young children in New York learn about the attacks on the twin towers and what it means to be a citizen.

## Considerations

This book introduces children to the events of 9/11 and what this means. It does cover the attacks and therefore talks about death, people falling from the towers and the emotional aftermath to the communities. It is done in a gentle and child friendly way and is an excellent teaching tool.
